artículo 96 de la Ley del Impuesto Sobre la Renta, vigente para 2022 y el Anexo 8 de la Resolución Miscelánea Fiscal para 2022, publicado el 12 de enero de 2022.

Toda vez que los trabajadores perciben salarios por un periodo de quince días, la tarifa aplicable es la correspondiente cuando se hacen pagos que corresponden a un periodo de 15 días; ahora bien el procedimiento para determinar la retención que le correspondió a cada trabajador, fue ubicando el monto de los importes entregados al trabajador entre el limite inferior y el limite superior de los renglones de la tabla, al total de las percepciones quincenales se les resta el limite inferior que le corresponda, para obtener así el excedente sobre el limite inferior, el cual se multiplica por el por ciento para aplicarse sobre el excedente del limite inferior, para obtener el impuesto marginal, a dicha cantidad se le suma la cuota fija para así obtener el impuesto sobre la renta a retener, esto de conformidad con el artículo 96, primer y segundo párrafos de la Ley del Impuesto Sobre la Renta, vigente en 2022.

Así también se ubica el monto de los ingresos por salarios percibidos por el trabajador en el periodo de 15 días en la tabla del subsidio para el empleo, para así determinar si es susceptible de éste, comparándolo con el impuesto a retener determinado, y si es mayor el subsidio para el empleo, se le disminuye el impuesto a retener y la diferencia que resulta es la que debe ser entregada al trabajador, dicho lo anterior aplicando la tarifa numeral "4" denominado "Tarifa aplicable cuando hagan pagos que correspondan a un periodo de 15 días, correspondiente a 2022." del apartado "B" denominado "Tarifas aplicables a retenciones" del Anexo 8 de la Resolución Miscelánea Fiscal para 2022, publicada el 27 de diciembre de 2021 en el Diario Oficial de la Federación, y el Anexo 8 de la Resolución Miscelánea Fiscal para 2022, publicado el 12 de enero de 2022, cantidad que coincide con lo que esta reflejado en los Comprobantes Fiscales Digitales por internet, emitidos por la contribuyente revisada.

Por lo antes expuesto, esta autoridad determina que la contribuyente revisada **Asiut Servicios Funerarios, S. de R.L. de C.V.**, por el periodo fiscal comprendido del 01 de enero de 2022 al 31 de diciembre de 2022, realizó pagos a sus trabajadores por concepto de salarios y en general por la prestación de un servicio personal subordinado, por los cuales debió enterar las retenciones de Impuesto Sobre la Renta, en cantidades de \$737,780.82 (Setecientos treinta y siete mil setecientos ochenta pesos 82/100 M.N.), por lo que al declarar el importe de \$112,878.00 (Ciento doce mil ochocientos setenta y ocho pesos
